Plan Details

Pages: A page is any individual request to a website to load a web page or any new portion of a web page, necessary for an agent to complete navigation or data gathering. Page credits are non refundable/transferable, and can be used as long as your account is active. Unused Monthly Subscription plan pages **now roll over** to subsequent months.

Billing: Monthly plans **are billed automatically each month** and can be cancelled at any time. Annual plans **will automatically renew after 1 year** unless cancelled. No refunds will be given for failure to cancel account before bill date.

Users: Additional users can be added on Pro & Enterprise plans for \$19/month or \$199/year.

Storage: Additional storage over allotted amount is \$10 per GB, billed monthly.

Agent Limits: There is no limit to the number of agents per account.

Image/File Downloads: For an extra fee, you can download images (gif, tif, jpeg, etc.) or files (.doc, .xls, .pdf, etc.) from any webpage. Images and files are renamed according to your specifications, and then stored in a separate folder that can be exported or published via FTP.

1 Image Download = 2 Page Credits

1 File Download = 4 Page Credits
